Career Opportunities:

The Bachelor of Science in Management degree achieved with the Entrepreneurship and Small Business Management track prepares you for starting or working in a small business.

to build a small business. This track is also an ideal preparation for working in a small business, where the manager often must perform several roles and manage aspects of operations, human resources, finances and cashflows, etc.

Additional Comments:

Majors in this program often work with the Indiana Small Business Development Center, conveniently located within the Eberly college, and assist faculty and local businesses with SBI (small business institute) projects.
