UNIVERSITY SENATE BYLAWS

I. Meetings

A. The University Senate shall hold at least four monthly meetings per academic semester,

**FOR ACTION:****CURRENT Undergraduate Policy****Double Major Policy (11.2.2021)**

Students meeting the requirements of two majors can obtain a double major (one diploma). Students who wish to receive two diplomas, one for each degree, must complete a minimum of 150 credits and follow the Dual Baccalaureate Degrees Policy.

The application for the double major must be completed by the student, at which time the student must declare one of the majors to be the primary major. The degree for the primary major (BS or BA) will be the degree designation that appears on the transcript and the diploma. The second major will appear on the transcript as the secondary major earned.

Students pursuing a double major will be required to fulfill all Liberal Studies, College, and Major requirements for the primary major and only the Major requirements for the secondary major.

If students after declaring a double major decide to pursue only one of the majors, they will need to rescind their decision to pursue a double major in order to graduate or on MyIUP. Students should consult with their advisors prior to making this decision. The original OSHE (to) 7(i)5(den)5(nid)-10(i)5(r) need to declare what their single major will be. Students will then need to fulfill the Liberal Studies, College and Major requirements of that single major.
