Liberal Studies

Subject: BIOL course number changes
From: "Ron See" <rfsee@iup.edu>
Date: 2/24/2014 8:46 AM
To: "Gail Sechrist" <gailsech@iup.edu>

Gail,

Anne Kondo suggested that I send you a list of the degree programs in Chemistry:

BA – Chemistry

BS – Chemistry

BS – Chemistry/Pre-Medical Track

BS in Education – Chemistry

In each case, these now require BIOL 111, and we want the new requirement to be BIOL 202.

Ron See

Yes it is a program revision, but it doesn't need the provost signature because there are no resources involved.

~~Go ahead and put it on Tuesday's agenda since the procedure was approved at Senate~~

Gail

Gail,

She did a cover sheet to an email from Ron See, saying that Anne asked him to send you a list of the degree programs in Chemistry. They are asking that BIOL 202 replace the BIOL 111 requirement. Her post it note says not to give it a number

~~until after senate approval. Not sure what that means, but we didn't give it a~~
