DATE: October 7, 1988

I am responding to your memorandum of September 27, 1988,
concerning the rationale for the curriculum changes in the Pre-Law

the rationale. Their responses are attached.

These courses have been in place for a number of years.
However the previous director did not implement the decision of the

Pre-Law Board.

We would like to have these changes incorporated into the
University Catalog as soon as possible.

Thank you for your attention to this matter.
