Rationale for Proposed Changes

<p>Why is the program being revised?</p>	<p>This program is being revised to: (1) better meet the need of the students by providing more courses and minors, (2) requiring an undergraduate experience (internship) which will assist students' development and career preparation, (3) meet the State System requirement of more than 60 credits of major courses, and (4) to update the core concentrations in Hospitality Management, Health, and Sports Sciences per this department's requirements.</p>
