(1) Students in the B.A.-Spanish major must successfully complete a program of language study in a Spanish-speaking country. This program must, as a *minimum*, last 4 weeks and carry 3 or more credits extending beyond the intermediate

II. 2. Summary of changes.

- b. There are no associated course changes.

II. 3. Rationale for Change.

In order to operate effectively in a career that requires the use of Spanish on a regular basis, students need to develop a high level of oral proficiency in the language. Studies have demonstrated that complete immersion in the target language is far and away the most effective way to develop that proficiency. In addition, students who are exposed to
