Promotion of CTE to Increase Faculty Participation: Our goal is always to involve as many faculty members as possible in excellent professional development activities and to enhance teaching and learning at IUP. To this end, we will be promoting our webpage, our monthly meetings, Saturday Seminars and special projects more

CTE Goals

In addition to the annual ongoing activities of the CTE, the following goals were also identified for 2009-2010:

1. Recognize and reward excellent teaching through the CTE Faculty Recognition Awards
2. Nurture and sustain the Reflective Practice Project
3. Continue to develop New Faculty Orientation and address the need to provide additional Orientation for Temporary faculty
4. As an increasing number of faculty move to teaching courses and offering programs online, provide faculty development to enhance pedagogy in the design, delivery and assessment of online courses.

This annual report provides clear evidence that all of the goals were achieved. IUP's faculty is enriched by the presence of the Center for Teaching Excellence, and the support of the Office of the Provost is greatly appreciated.

Much additional information on the Center for Teaching Excellence can be found on the CTE website: <http://www.iup.edu/teachingexcellence>.
