

LGBTQIA+ is a term for anyone who identifies as Lesbian, Gay, Bisexual, Transgender, Queer, Questioning, Intersex, Asexual Ally or Supporter.

• (moderators)

"Sex" refers to the biological and physiological characteristics that define men (males) and women (females).

"Gender" refers to the socially constructed roles, behaviors, and attributes that society considers appropriate for men (masculine) and women (feminine).

"Gender identity" is the internal sense of gender which is not visible to others. One's gender identity may or may not align with one's sex assigned at birth.

"Sexual orientation" refers to whom one is sexually attracted. Gender identity and sexual orientation may affect one another.
