The screenshot displays a Canvas LMS interface. At the top, a navigation bar includes the Canvas logo, a search bar, and a user profile icon. Below this is a header with the text "FACULTY" and "100%". The main content area features a question titled "100% Question 10 of 10" with a score of 100%. The question asks: "How many chromosomes are in a human cell?" with four multiple-choice options: "46", "23", "48", and "24". The correct answer, "46", is highlighted in green. A "Submit" button is visible at the bottom right of the question area. The interface also shows a progress bar at the top right and a sidebar on the left with navigation options like "Home", "Courses", and "Account".
